**NIGHT WORK ON SPAULDING TURNPIKE PROJECT IN NEWINGTON**  
***SINGLE LANE SOUTHBOUND TRAFFIC ON NOVEMBER 4 AND 5***

The New Hampshire Department of Transportation (NHDOT) announces night construction work is planned on the Spaulding Turnpike improvement project south of Exit 4 in Newington.

This work on the Woodbury Avenue Bridge will require southbound traffic to be restricted to one lane between 7:00 pm and 4:00 am. State Police will be in place to alert motorists to the restricted conditions. Speeds will be posted at 40 MPH through the nighttime work hours and will be strictly enforced.

Southbound traffic will return to two lanes during non-work hours. Northbound traffic should not be affected by this work.
